7. **PROCEDURE FOR OPENING OF TENDER:**

Tender/Bids will be opened and processed as per procedure laid down in PPRA 2004 i.e. **on least cost and quality based selection.** The tender will be awarded on the basis of the lowest rates and good quality products offered. In case the quantity offered by the 1<sup>st</sup> lowest bidder is less than the quantity asked in the tender, the other lowest bidders in the descending order will be asked to match the rates so as to complete the tendered quantity.

8. **QUALITY:**

The intending participants will have to provide a sample of net weight 5kg of each commodity. The samples of successful bidders will be sent to concerned Regional Managers and Warehouse Incharges for matching the quality of the commodities at the time of the receipt of stock from the vendors. The quality of stocks will be examined by a Committee at Regional Offices consisting of the Regional Manager, Accounts Officer, Area Manager and Warehouse Incharge. If the issue/problem of quality is not resolved at Regional Committee level, the appeal may be made instantly to Chairman Tender Committee at USC Head Office. In case the stock supplied by the vendor does not match with the sample provided/produced at the time of bidding, the same shall be returned to supplier/vendor at his risk and cost. The freight of both sides shall be borne by the

concerned vendor. USC Regions will accept only good quality stocks as per sample provided by the party/mill in the tender. In case of any complaint on quality at any stage the party/mill will be responsible to replace the sub-standard stock with good quality stock at its risk & cost. The supplier would be responsible for the quality assurance at time of delivery as per sample. If deemed necessary, the sample/stock delivered by the vendors would be sent to laboratories for inspection by USC at the cost of vendors. Any negligence on the part of the vendors would be liable for action as per contract/law. Every party/mill will provide the undertaking along with each invoice that good quality stock is delivered as per approved sample.

9. **STOCK IN TRANSIT:**

The supplier/vendor will be responsible for safe and secure supply of the stock to USC Regions/Warehouses of which order is placed with the vendor. In case of loss of stock due to any theft/accident or any natural calamity the concerned vendor/supplier will be responsible for the same.
